Lord of all creation, the father and owner of my heart I wanted to write this covenant to you today as a dedication and binding of our relationship. First I wanted to acknowledge how wonderful you have been to me. It is said that from the very womb of my mother you knew me (Jeremiah 1:5) and set me apart. I wanted to thank you for protecting me and for watching my every step. Thank you for choosing me and setting me apart for Your works. I have dedicated my life to You ever since I was 16 years old and ever since then it has been the best decision I have ever made. Although there are always ups and downs in our relationship mostly because of me, I dedicate myself to you today and always. I recognize that You Jesus are my Lord and savior and that without you no one gets to the Father. I ask you to take full control of my thoughts and my ways. I ask that we never disconnect because I don't see life without you Lord. I promise to never let anyone come between You and I. I promise to trust in You no matter how hard circumstances may get. I promise to love you for the rest of my life.
