### Solemn Covenant

Dear God, you are the ruler of the universe and the all mighty and creator of this world and me and everything in it. I feel you everywhere, you see the bad and the good. You know what is in my head and what is in my heart. I seek you God for my own healing and to bless your name. I am now yours, God; my heart and my soul is yours Jesus. Nothing in this world is worth more than how much you love me and what you mean to me. I know that you love me Lord. I know that you are providing for me and teaching me all the ways and I know that through Jesus, the only protector, I will get my blessings, trusting in you and exalting your name. I will always pray at your throne Jesus, because your name is good and easy on lips. Your name is all powerful oh Lord, I know that you strengthen me when I am not strong. I renounce anything that isn't your love and your teachings or your son Jesus' Christ's teachings. Your words are always carrying me through and you make sure that you love me more than ever and forever will. I know that you will give me eternal life when the time comes and I will forever live in your kingdom, Lord, you sacrificed your son Jesus Christ for me and he took away all of my sins and made me anew. I believe in you Lord and your son Jesus Christ's sacrifice will always humble me and make me think, twice about what I do each and everyday and how I carry myself will always reflect your name and image oh Lord. My faith is in Jesus and my salvation, I will receive through Him.

Lord, You always look at what my heart is asking and is yearning for, you know my deepest thoughts and how i am not perfect, because of you Lord, I am working on becoming my best self and learning to let you in so I could be sanctified and receive your grace.

I want to dedicated my time in reading your word more oh Lord, so that they keep guiding and carrying me through. I know your words are a light a my feet and make me feel safe and shielded. I want to take my time when I pray, because I know when I pray and call on your name, you answer, you love and provide for me and make sure my whole being is care for. I know that in you, I have everything I need and more. I am forever grateful, successful in your name oh Lord. My happiness is you. I thank you oh God and your son Jesus Christ.
