God, you are all-powerful and in control of everything. I want to dedicate myself to you and live my life for you. I know that I have done wrong things and I am a sinner, but I come to you through Jesus, who makes it possible for me to talk to you. I want to make a promise to you to live forever with you and to follow your ways.

I believe

in Jesus and he is my leader and king. I give myself to God and let him use me for his glory. I will fight against anything that goes against God's plan. I want to always belong to God and to be remembered by him, especially when I am

facing challenges. I know I am weak, but with God's help, I will be strong.

I ask for

God's blessings, especially the Holy Spirit, to help me spread his message to others. I am a soldier for Jesus and will always choose him as my king. I ask for God's protection and guidance in my life, and for enough to live on but not too much that it becomes a problem. I want God's spirit to always be with me

and for me to be happy and content with God's love.
