### My Solemn Covenant

God I know You saved me from evil, You picked me up off the path of destruction I was on and set me on the straight and narrow path created by You when Jesus, the perfect lamb gave himself up as a sacrifice to pay for my sins when he'd never sinned himself. For that and for much more I'm so grateful. Thank you for loving me and keeping me. Thank you for always listening to me and thank you for speaking to me. For when you speak to me it's as sweet as a kiss and it makes my heart glad. You're everything to me, honestly without You I have nothing and I am nothing. Forgive me for getting caught up in myself and being prideful. Remind me Lord to stay humble for without You, before I had You in my life I could do nothing. I was the weakest of the weakest and now people look at me and think I have it all together but they didn't know me before or they know that is a miracle. You've surpassed the greatest dream I've had for myself and yet You're not done. You have a plan for me to give me hope and a future to prosper and not to harm me. You knit me in my mother's womb, You made me fearfully and wonderfully, You love me despite all my flaws and evil heart. I love You and I need You. I know I can't do anything alone and on my own I absolutely do not deserve to be in your presence at all especially not for eternity but by the power of Christ I am able to have fellowship with You and I can be in Your presence forever. God please bless me and fill me with Your Holy Spirit daily because I need it. Jesus I need you. Father please don't let me ever fall into deception or die in sin. Thank you for Your patience and for loving me perfectly. For even when my parents and everyone around me

had forsaken me, You were with me and accepted me even when I didn't know it. I can't do anything without You and I need You to continuously save me and teach me and sanctify me. God I never want to turn from You or make You jealous. I want to make You happy and do Your will always. I know that I have the freedom to make my own choices and I choose You. I also know that You're the only one who can change peoples evil hearts and circumcise them and mold us to be perfect as You are perfect. Please continuously give me the desires of my heart that You would like me to have. I will always look to You and seek out Your will. I will put You first and make sure that I don't entertain something that would separate me from You. I will love You and I will love my neighbors. I will take leadership positions seriously and stay close to You so You may be the true leader working through me. I will fight for You and Your sheep. I will not be lukewarm, I will not back down nor revert. I will be on fire for You, I will do Your will. I will spread the Gospel, I will not be silent, I will praise You and sing to You when I'm joyful and in the midst of my despair as I go through life. I will not compromise You or your word. I will not fear man nor live to please man for it proves to be a trap. But to trust in You God will be kept safe. Thank You Jesus. You are a good God, a perfect Father. Thank You Holy Spirit. The perfect father, brother, best friend and bridegroom. I will present my body as a living sacrifice and not grieve the Holy Spirit. I will live and not die, I will declare the works of the Lord my God. I know that You are good and that You can be trusted. It's not Your will that I nor anyone else should perish I know You love me and that I can trust You so I declare this in Jesus name that it shall be done. I will always take You seriously. I will raise my children and anyone else I lead to look to You always. I will study the word to show myself approved, I will bless those who curse me. I will fully accept Your love for me. I can't do any of this without You so I ask that You give me the strength and power by Your Holy Spirit and anoint me, protect me and keep me always

on the straight and narrow in Jesus name, Jesus my Lord pray for me always please. I will always  
worship You. Thank You Jesus the name above all names, yes Lord. Thank You Jesus. Amen
