**Tanya Farrow**

**Jules Ferguson**

**Evens Francois**

# ANALYZE

A nighttime photograph of a city street. On the left, a Gothic-style building with a large arched window is visible. The street is illuminated by streetlights, and long light trails from cars are visible. In the background, several modern multi-story buildings with lit windows are visible against a dark blue sky. The right side of the image is overlaid with a semi-transparent blue panel containing text.

**NEEDS  
& ASSETS**

A nighttime photograph of a city street. On the left, a church with Gothic-style architecture is visible. The street is illuminated by streetlights, and light trails from cars are visible. In the background, modern multi-story buildings with lit windows line the street. The right half of the image is overlaid with a semi-transparent blue filter.
