#### Summary:

The passage identifies how Jesus ascended to heaven and the differences of opinion. Some say he's in a holding place, some say he's in heaven setting at the right hand of God. The passage also, talks about the way Jesus came to earth and if he was the second Adam to pay for our sins or was he more superior just like God. The reading talks about how Jesus shares God's attributes, the name of God, the deeds of God and the seats on the throne. Jesus should that he was faithful to God substitute for sacrifice and the mediator for us. Jesus came to fulfill the original purpose of God that man should rule over creation.
