Additionally, I learned (by experience) that although I may be tasked to do something from my Commander, my mission is to provide religious support to Soldiers. Although I spent on overwhelming amount of hours preparing the Change of Command Ceremony, I learned that it was "not my lane" and that another Officer should have been tasked with that responsibility.</i></p> <p><i>Moving forward, I am fully aware of what area I should be focusing on during Battle Assemblies- Ministry of presence and Soldiers!</i></p>
