Realized the importance of Ministry of Presence as the Soldiers welcomes and received me with much appreciation. I learned that it had been over a year since a Chaplain was able to visit them (because he went on Deployment to Kuwait).</i></p> <p><i>I was able to see the effect that my presence had on the Soldiers there. They were open to sharing their struggles with me as well as the areas in their lives that bring them joy.</i></p> <p><i>Continue to receive both confirmation and affirmation that I am answering the call that God has placed on my life.</i></p> <p><i>So blessed to have Chaplain Asomugha as my Supervisory Chaplain. He is understanding and supportive and already has been providing me vital information and much-needed prayer as I continue on the path to Chaplaincy.</i></p> <p><i>Becoming more encouraged as I begin taking small steps to get out of my comfort zone</i></p>
