Week # 2

Hours This Week: 8.5 Total Hours: 281 / 360

HOURS SPENT / TASKS & ACTIVITIES	REFLECTIONS JOURNALING THOUGHTS PROCESSING
7 hours / Staff Meeting + staff hang	After our normal staff meeting, Grace and I stayed at Lauren's house to keep working. It was wonderful quality time. I had been hoping to build better relationships with these girls, so I was really happy we got this time. I felt especially cared for because they asked about my boyfriend and listened really well.
1.5 hours / Interview with student	I needed to interview a non-religious person for my Working with People class, so I asked an Iranian student who has previously shared with me that he is not religious. It was a great conversation as he explained how he would like the Christian God to be reflected if I shared him with my friend or my friend's family. I learned a lot about this student/friend, and I hope he heard some of what I shared about God. I am hopeful for him to believe God.

MEETING(S) WITH MENTOR(S) TOPICS OF DISCUSSION REFLECTIONS
Lauren and I didn't meet this week because I had an appointment on Monday.
