CHRIST OUR SAVIOR

JOURNAL 1

Christ our savior and the path to salvation in order. We all go through storms in life. Sometimes it's a great storm and sometimes it might look insignificant but Jesus is able to calm our storms. If our storms are important to us, they are important to God. The devil knew the great work and miracles that Jesus would perform, he also knew that people would turn from their evil ways and live a life of righteousness. He wanted to stop Jesus before he even started, the devil doesn't fight us for where we are right now, but he also knows the future so he tries to stop us. Like Jesus, we are to resist the devil and he will flee, we also should not yield to temptation. As we examine the life of Jesus, he was always reaching out to all who came to him with needs. He was often criticized, he was denied and betrayed by those closest to him. They arrested, crucified and buried him, he did not stay in the tomb. On the third day he came out victorious and triumphant. He says in Revelation 1:18, "I am he that liveth and was dead, and behold, I am alive forever more. Amen. And I have the keys of hell and death."
