CHRIST OUR SANCTIFIER

JOURNAL 2

The sanctification of Christ is part of being a Christian demonstrate the wisdom of God. The ultimate wisdom of God produces the perfect peace of righteousness in people's life. There are changes just like a tree during the fall season the trees will be bare and look as if there is no life in them. Then in a few months the leaves will all spring back and there will be new life again. That's the God we serve he gives the season of the year and the greatest scientist cannot reverse it. Everything is under his control, and they move at his command. The Israelites were on their way to their Promised Land, God gave them bread every day. They grew tired of the "manna" and wanted meat to eat, they cried out to Moses their leader and Moses cried out to God on their behalf. God is in control and we cannot put a limit on him, says, in Isaiah 42: 8, "I am the Lord that is my name and my glory will I not give to another, neither my praise to graven images."
