BIB336: Parables

WK 5: Contract Grade

February 22, 2023

To earn an A in this class, I will complete all discussion posts, weekly reading assignments, and online summary attendance as an online student. I will complete all the assigned work to earn an A in this class. This includes actively participating in all discussion posts and completing all weekly reading assignments. Additionally, I will submit a 3-5 page book review of *The Challenge of Jesus' Parables* and write a 7-10 page Gospel Parable Research Paper. Also, to ensure that I meet the expectations for an A, I will strive to do extra credit work, submit assignments on time, and respond to more than two classmates' discussion posts for the week.
