The Isms film Response

Conservatism - Reaction to Napoleonic wars, a move towards the past, most powerful, and successful of the ideologies.

Classical Liberalism - The ideas of Enlightenment, people having more say in Government and more freedom to vote.

Nationalism – People questioning who they are and being defined by their language, history, culture, Etc.

Utopian Socialism – small communities created for people to work for the communal good.

Romanticism – Experiencing the world through feeling and not cold scientific rationality.
