(5-3-1) Assignment

Questions

1. What are the three types of Prophecy?
2. What Old Testament books have the highest percentage of future prophecy?
3. What Testament books have the highest percentage of future prophecy?
4. What is *prophetic perspective*?
5. *What is an example of an unconditional prophecy?*

Answers

1. *The three types of prophecy are conditional, unconditional, sequential.*
2. *The OT books with the highest percentage of prophecy Ezekiel, Jeremiah, Isaiah.*
3. *The NT books with the highest percentage of prophecy revelation, Matthew, and Luke.*
4. *According to Kaiser, prophetic perspective is “the phenomenon of blending together both the near and the distant aspects of the prediction in one and the same vision”.*
5. *One example of an unconditional prophecy is when God promises a new covenant in the book of Jeremiah.*

TERMS

- **Prophecy:** a message from God about the future.
- **Futurology:** a system that predicts the future through current events/ society.
- **Sequential Prophecy:** According to the author, it is *“The predictions contained within them place several events together in one prediction even though they will be fulfilled in a sequence and a series of acts perhaps stretching over several centuries.”*

SUMMARY

In this chapter, the author discusses prophecy. We learn about the different characteristics and types of prophecy. The author also discusses the percentage of prophecy in the Old Testament and New Testament as well as the prophet's own understanding of their prophecies.
