

## Appendix A

### Nyack College School of Nursing Service-Learning Project Proposal

Student Name:

- Lisa Nkrumah Ababio

If this is a group project, write down the names of your group:

-N/A

Date of Proposed Service-Learning:

-3/6/2023

Service Learning Activity and Goal for the community:

-The goal was to write a summary of a missionary nurse's life and mostly go into detail describing his or her nursing practice in the country where he/she was/is missionary. What was the effect of his/her practice on spreading the gospel, the effect on health care in the community, and the effect on her physical and spiritual life. In the end we have to write how researching this affected us and what we learnt from these experiences that the missionary nurses had.

The Name of Supervisor/ Leader Signature & Comments: (If you do not have one, discuss your idea with a SON faculty or staff member and obtain his or her signature).

N/A. Class exercise/paper so hopefully teacher might signed

Preparation: I prepared mostly by trying to find a specific nurse to focus on and when I did that I then went on to research about them and what they did and what organization they worked and

where they worked etc. Then I implemented those stuff I researched in my paper and wrote about their lives before and after being a missionary nurse and it affected their physical and spiritual health by being one and how i felt about it and my feelings on the job itself. After Writing my paper I then continued by citing my sources
