## Activity 11

### **C. Ethics & Self-Interest**

1. This meets my self-interest and has no ethical impact: I am pursuing my master's degree so that I can make more money
2. This is an ethical choice in which my self-interest is not involved: I choose to take responsibility for a patient's bad experience in my department
3. Here is a choice that is both ethical and prudential: Not taking a bribe from a sales rep at work

### **D. Ethics & Religion**

1. This action is religious but is outside of the ethics sphere: Wearing a suit and tie to "minister"
2. This action is ethical but is not addressed by a particular religion: Confidentiality
3. This action follows religious rules and is ethical as well: Do unto others as you want them to do to you

### **E. Ethics & Opinion**

1. Here is an example of a personal opinion that is outside of the ethics sphere: Mass transportation is better than transporting in my own vehicle
2. Here is an example of something that is within the ethics sphere that is independent of my personal opinion: Stealing is punishable
3. Here is an example where my personal opinion and ethics coincide: Money embezzlers doing time in prison
