

# **Ramses II: The Formidable Pharaoh**

By: Miguel Christopher

- **This a portrait painting of the known Pharaoh, whose name was RAMSES II OR he was called RAMSES THE GREAT.**
- **RAMSES II WAS a warrior KING,an artist, a renaissance man.**

- **This is a photo of RAMSES II tomb, the tomb for the Pharaohs was an extremely sacred enshrinement**
- **Pharaohs tried to take with them at their death much of their possessions.**
- **They believed this would ensure a greater afterlife.**

- **RAMSES II was one of the most prestigious and most successful Pharaohs**
- **He was one of the longest reigning Pharaohs**
- **67 YEARS REIGNING AND LIVED TO BE ALMOST 100 YEARS OF AGE!**

- **RAMSES II was an extremely skillful military warrior.**
- **From the young age of 10 he was already commanding military troops under his father, the then Pharaoh SETY I.**

*This painting shows Ramses II in battle. He was a brilliant military leader who became a captain in his father's army at the age of ten.*

- **Much of the wardrobes of the Pharaoh were so unique**
- **Especially the official crown worn by the Pharaoh, with the protruding snake in the center of the crown.**

- **Ramses II was also an architectural genius**
- **He built many monuments and temples commemorating all of his greatness and accomplishments.**
- **This is one of his temples the Abu Simbel.**
