# Life Verse

When it comes to choosing a specific bible verse that I have lived with, there isn't specifically just one that comes to mind. I'm a firm believer that there are plenty of scriptures that can speak to you in any season you are in.

With that said, there are plenty of scriptures that have brought on a deep, significant impact throughout my twenty-one years of life.

**\_Philippians 1:6** - Being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus.

**\_Revelation 1:5b-6** - To him who loves us and has freed us from our sins by His blood, and has made us to be a kingdom and priests to serve His God and Father—to him be glory and power for ever and ever! Amen.

**\_Hebrews 12:1-2** - Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God.

# Mission Statements

**Primary Calling:** One of the things that I am most confident in is that before any calling that exists to anyone, everyone's primary calling is to know Jesus deeply and to have a life that is completely transformed coming to behold Him more and more. We were made to encounter His glory and to see His face, in each every second of the day. That is our primary calling, which in turn is my life's biggest calling above all things.

**Secondary Calling:** One of the things that I've been blessed with since childhood is knowing my calling from a really early age. Since the age of six, I have known that my calling has to deal with leading & worship as those are the two things that I take great joy in, and as those come naturally to me. I have found my calling in worship to be a driving force in everything that I do, and I have a deep conviction in maintaining the sanctity of worship, that it is not an industry, but it is a priesthood. It is stewarding the Presence of God with reverence and deep awe. Even within the past year, I have felt like the Lord has called me to preserve that image of worship and tread it carefully.

# Connection with Simpson

**\_Collaborative** – I enjoy working with other people in order to make people feel included.

**\_Committed** – Just with A.B. Simpson, whatever I feel like what the Lord is calling me to do, I will remain obedient, even if it costs me money, time, and people.

**\_Visionary** – I tend to think big and ahead at the final result and how we can get there.

# What do I need to do from here?

**\_Continue being faithful with where God has me planted.** Remaining faithful to my local church (Church Alive, Lyndhurst NJ) whenever opportunities arise, being planted in order for me to not to wander.

**\_Keep on exercising the gifts the God has given me.** Continue songwriting and release them only when the Lord calls me to do so.

**\_Get in shape.** Take good care of my body as it is a temple of the Holy Spirit.
