A.B Simpson, Albert Benjamin Simpson, was a Canadian theologian, author, and preacher. He founded the Christian and Missionary Alliance, an evangelical denomination with a special emphasis on worldwide evangelism.

At first, the NYACK Heritage course was confusing to me. After a while, however, I started to understand that such teachings were a real foundation for my Christian life. I learned that Christ is the Savior, our salvation, and the only way to God. Christ is the Sanctifier, and we should dedicate ourselves to Him. Christ is the Healer, divine healing is the work of God alone. Christ is our Coming Lord, and He is returning again. We should be diligent, faithful, and waiting for his return. The four-fold Gospel stood out to my attention because it documents the beliefs of the Christian, indicating the four components that make up the life of righteousness and character of the Lord Jesus Christ. The daily reading of the Bible and the knowledge of the four-fold Gospel are practical guides to the Christian life.

As Christ is our Savior - "There is salvation in no one else! God has given no other name under heaven by which we must be saved." Acts 4:12. "For this is how God loved the world: He gave his one and only Son, so that everyone who believes in him will not perish but have eternal life" John 3:16.

As Christ is our Sanctifier - "God has united you with Christ Jesus. For our benefit God made him to be wisdom itself. Christ made us right with God; he made us pure and holy, and he freed

us from sin” 1 Corinthians 1:30. “But just as he who called you is holy, so be holy in all you do; for it is written: ‘Be holy, because I am holy.’” 1 Peter 1:15-16.

As Christ our Healer - “When Jesus saw their faith, he said, ‘Friend, your sins are forgiven.’”

Luke 5:20. “And the prayer offered in faith will make the sick person well; the Lord will raise them up. If they have sinned, they will be forgiven” James 5:15.

As Christ is our coming Lord - “‘Men of Galilee,’ they said, ‘why do you stand here looking into the sky? This same Jesus, who has been taken from you into heaven, will come back in the same way you have seen him go into heaven.’” Acts 1:11. “every eye will see him.” Revelation 1:7.

The four-fold Gospel is the Christian reflection and teachings of Jesus Christ and His values.

What we believe determines what we value, and what we value defines how we live.

Scripture-based core values are the key to successful; Christian living.

Jesus’ death and resurrection give us the conviction to His followers that when we accept Jesus Christ as our Savior, His promises are for us. Through His infinite grace and love, He gave Himself to us in His fullness.

I have heard on many occasions in our contemporary culture teach us that there are many to find God. Even I heard that God is the same as the universe as Allah or Buddha. After reading and learning from the NYACK Heritage, I firmed my Christian foundation over the rock who is Christ. There are no multiple paths to God. There is only one - Jesus Christ.

The NYACK Heritage course opened my eyes and gave me more passion for reaching people without knowledge of Jesus Christ. I’m applying these values in my daily walk with Him.

My dedication of myself to God is rooted in my heart and mind now more than ever before.

I believe He is Almighty, all-powerful and omnipotent. He is the creator and ruler of the universe, the only God who can perform miracles, forgive sin, and give men eternal life. Many scriptures show the greatness of God's power, such as 1 Peter 5:6.

I understand and appreciate His greatness and power and honor Him by giving all my worship. He deserves our service because of His wondrous works. God rules us, and we who accept Him as our Lord and Savior are His children. God rules over everything He created. The entire Universe is His. Everything in Heaven and Earth belongs to Him. Therefore every blessing is a gift from Him.

Lastly, after reading and analyzing the NYACK Heritage curriculum, I am confident nothing is too hard for God. He is the only one powerful. People think we are powerful, but can we do miracles like the ones displayed in the Bible? Without Him, we are nothing and lost. We must understand and appreciate God's power enough to praise him regularly on earth and spread the Gospel.
