1). Where did this book “take you apart?” How did God use it in “spiritual surgery?” (please use quotes & page numbers)?

- Page 87, line 11 Jesus chose death so we could experience life as a simple exchange for those who believe. Sometimes we reach a point in life where we realize that only God can carry us through, and this is the exact time we are living right now. God does everything in his power to protect and guide you. He does that because he's our father and he cares so much about us. I'm so glad that you have seen God show up for you in the past 3 years. It's been a lot for many. But for many, they gave up. Turned away from God and lost hope. I'm glad you held on until you saw God bring it all "full circle.

2). Where did you agree most with the author? Disagree most?

- I agree with the author. I agree that obeying is important right away. It's important because we don't know everything, but God knows everything. If God asks us to do something, it must be the right thing because He is trusting. The story on page 108 is the perfect example of that.

3). What was the key spiritual truth you gleaned from this book? How are you integrating it into your personal spiritual formation process?

- Page 98-99 God's goodness. Sometimes when I make mistakes, I am harder on myself than the Lord is. He never once said that the road would be easy, but he always said that he'll love us and that no matter what we do, he will be there for us. God will forgive us and love us no matter what. The book helped me get closer to God and helped me understand what it means to be a Christian. The key spiritual truth I gleaned from this book was what it means to forgive others.
