Cooperating

Complete this form during the first week of each placement. Make eight goals for yourself for the placement, creating two for each area of our SALT conceptual framework.

Service

1. To seek out opportunities to collaborate with my colleagues and contribute to the school community, such as volunteering for after-school programs or attending staff meetings.
2. Make a conscious effort to connect with families and community members to build positive relationships and better understand their needs and perspectives.

Academics

3. To design and implement engaging, rigorous lessons that align with state standards and challenge all students to reach their full potential.
4. To regularly assess student progress and adjust my instruction to meet the needs of individual learners, using data to inform my decisions.

Leadership

5. To lead by example and set a positive tone for my students by modeling professionalism, integrity, and a growth mindset.
6. To assume leadership roles within my school or district, including participating in committees or working with other teachers, to enhance the overall quality of education.

Teaching

7. To utilize research-based instructional strategies and approaches that have been demonstrated to be effective, such as employing formative assessment methods, customizing instruction, and providing regular feedback to students.
8. To actively seek out opportunities for professional development to enhance my skills and remain informed about the latest developments and research in the field of education.
