

Consent for Participation in Role Play Intake and Session

I understand that Bénie Ntoto is taking a class titled GCN 601 OA: Principles and Methods of Counseling Online and is under the instruction of Dr. A'tasha M. Christian, LPC. As a part of class instruction, it is required to conduct a role-played intake session that may (at your option) include some of your personal information. 4. You understand that you can choose to stop participation at any time.
5. You understand that the student is NOT providing REAL counseling or any other therapeutic intervention, and if you require or feel that you may be in need of mental health services, you should NOT participate and should seek referrals from your primary care physician.

7. You agree to hold blameless and/or indemnify the student / professor / school of any harm in relation to your participation in this activity and agree that your participation is completely voluntary and free from coercion.
