HOURS SPENT / TASKS & ACTIVITIES	REFLECTIONS JOURNALING THOUGHTS PROCESSING
<p>11 hrs. – Attended the Gospel of the Kingdom Conference with Ken Fish. Mentor Pastor Louis Carlo led worship at this two-day conference I attended to work on my personal spiritual formation as I entered into this new season of ministry.</p> <p>3 hrs. 30 minutes – Sunday Worship experience – Setup-team and facilitated Congregational offering and Greeting.</p>	<p>The Gospel of the Kingdom Conference was centered around Sexual Brokenness something that I have struggled with for many seasons. When the invitation was presented, I gladly rearranged my schedule because in this season of spiritual growth I felt ABBA pushing and prompting me to leave much of this brokenness at his altar it has been a hinderance at times in my growth and I realize that in order to heal and get to the next level of ministry I needed to leave that part of my life at the altar. The breakthrough that I received at the conference was exactly what I needed to not only start this internship but to move forward in the calling that ABBA has placed in my life.</p> <p>The realization came to me a few weeks ago that the Congregational Offering and Greeting are done by three people: Two of our associate Pastors: Pastor Christian and Pastor Jon and then myself. I was in this rotation prior to the internship starting and yes it has been on the horizon, but I am still humbled and amazed that I would in this capacity serve alongside these amazing Men of God. It has allowed me to view myself through a different lens.</p>

FIELD EDUCATION The Log

Had dinner with mentor during the conference discussed the impact that the conference had on me and on the trajectory my spiritual growth should go in this season. Opposite sex relationships have been a major stumbling block for me and in this season my mentor has challenged me to pursue ABBA and see where that pursuit will lead me.
