THE WALK WITH GOD

The walk with God is have a peace of mind that God is with us and when we walk with God, we must be like Jesus when walked with him, we should adapt the lifestyle of Jesus. We must live the life like Jesus by copying him, his pattern, his image, but as human we fail but we have to keep on trying. To copy him we must walk in his footsteps, he came to do his father's work because he loves his father and God our father therefore, we are on earth to do the work of God. Jesus' life was regulated by the word of God, and he came to fulfill the word. Just like Jesus we should live our lives according to the scripture. Jesus came in the form of a man as stated in John 5 vs 30 states, "The son can do nothing of himself but what he seeth the father do. I can of mine own self do nothing." Just as Jesus lived by the father we too should live by the father, God who is our father we depend on him in our everyday lives.

The thought that resonated with me is that for us to be like Christ we should depend on him by living a life in fasting and praying without ceasing. We must commit ourselves to him by living a life completely dependent upon him, our strength should come from the Lord who made heaven and earth. Like Jesus got his strength came from the father, we should look to him for our strength, this is the inspiration we get in his grace. Just like Christ goes out to spread the word of God, we should go and spread to word of God to the nation and wherever we go. As human we are tempted, just like Jesus who was tempted, and he has no sin, therefore we must be

strong in the Lord. We go through life suffering and “wonder why, but why not,” because while Christ lived on the earth he suffered for our sins and by his stripes we are healed.

In conclusion when we seek God’s guidance in everything we do, he’ll be there to direct our paths. Before we make a move or do anything we should first tell God about it. Since we are walking in Christ we must listen to his word, because when we walk with God others will see the Christ in us. We can also say that greater is he that is within us than he that is in the world.
