Remember the Titans directed by Boaz Yakin and Made in 2000

Actors: Denzel Washington, Ryan Hurst, Wood Harris, Will Botton

Genre: Historical

Sub Grouping: Sports, Drama

Setting: Past

I chose this film because not only does it give you an idea of what the past look like and how things worked with black and whites. Also, because it shows the power a sport has. Sports will introduce you to different people. Putting on the same jersey automatically makes you family, no matter what skin tone or religion.
