HOURS SPENT / TASKS & ACTIVITIES	REFLECTIONS JOURNALING THOUGHTS PROCESSING
<p>2 hrs. – Vessels of Honor: which is the women’s ministry. I provide technical assistance as our gatherings occur via Zoom.</p> <p>3 hrs. 30 minutes – Attended a Worship and Prayer service at New Life Outreach International</p> <p>1 hr. – Check-in w/Lynn – working on distinguishing which tasks will be primary and which secondary.</p> <p>4 hrs. – Sunday Worship experience – Assisted with Set-up team and distributed the elements during communion.</p>	<p>In the wake of COVID our Women’s Ministry – Vessels of Honor has moved to the Zoom platform. Pastor Arlene – one of our founding Pastors asked me during the pandemic to offer support on Zoom. I appreciate being given the opportunity to serve her in this capacity she is a dynamic woman of God who has teaching and wisdom that is invaluable and I am blessed to have her in my life. A Sister from the church stated awhile back that they see me being a Pastor like Pastor Arlene and although extremely humbling I think if ABBA affords me the opportunity, I want to be the Pastor that ABBA wants me to be.</p> <p>Our church has been in space of revival calling upon the Holy Spirit to indwell in the church and the local assembly. Pastor Lou noticing the spread of the Spirit accepted an invitation for us to attend a prayer and worship service in the Bronx. The Holy Spirit was evident and present, and it was a good experience.</p> <p>Sunday’s Worship experience was great but the set-up team was short-staffed and it made it obvious that without a set-up manual having other people join without having the instruction manual would prove to be chilling.</p>

Although Lynn is not my mentor of record, I must say that I value the time we spend and what it is I am learning from her. I consider myself often to be misunderstood because of my abrasiveness or at times lack of sensitivity. In Lynn I am beginning to see someone who understands me and is teaching me to reinterpret what I am saying so that I am not offensive but that the message I am trying to convey comes through clearly. In terms of my tasks I was really trying to over accomplish but Lynn showed me that by having one big project that would be tangible and is very much needed is the way to go. I look forward to seeing how it is that I grow with her as my task mentor.
