

## World Civilization 1:

Josiah  
Cesar

After watching the short film on the Gupta Empire, post your response listing four things you learned about the Empire from this film.

1. Throughout the country of the Gupta Empire they do not kill any living creature.
2. Buddhism thrived alongside Hinduism.
3. A Gupta astronomer around 500 AD proved the earth went around the sun.
4. After defeating a different army the Kings made their court a center of high culture, Drama, and literature.
