1). Where did this book “take you apart?” How did God use it in “spiritual surgery?” (please use quotes & page numbers)?

In this book the part that took me apart was the section about silence (pg 59) Well throughout my life I learned that silence is good when You are having time with him. An example of this is "Petitioning God with needs and reauest explaining ourselves, but centering prayer focus on God. This stood out to me because it really showed me how silence is key when you were having an intimate relationship with God.

## 2). Where did you agree most with the author? Disagree most?

**Agree**-The thing I agree most with the author is that we are all broken I agree with this is because we all head onto planet versus brokenness and sorrow because of sin in the world

**Disagree**-The thing I don't agree with the author over is the phrase Love has the power to change people on page 130 the reason why is because some people are so hurt they can't except love.

## 3). What was the key spiritual truth you gleaned from this book? How are you integrating it into your personal spiritual formation process?

The thing that really stood out to me is the phrase who are you when no one else is watching. Being able to be the person that God wants you to be when no one else is around is a really hard thing to grasp. At the end of the day God is always watching. Being able to be the best version of yourself alone shows what kind of person you really are.
