HOURS SPENT / TASKS & ACTIVITIES	REFLECTIONS JOURNALING THOUGHTS PROCESSING
<p>3hrs 30 minutes. – Sunday Worship experience – Set-up video camera and was the videographer for the service.</p> <p>3 hrs. attended a pre-screening of Jesus Revolution</p>	<p>I found myself being extremely frustrated this week; public schools was closed for midwinter break and several families took vacation. I understand that rest and the Sabbath is something that ABBA decrees. I think what got me the most frustrated is that no advance warning was provided, and it was the last-minute scramble to pull folks in. I had previously informed Pastor Lou that I needed attend a neighboring church for another class and he released me to do so. Yet when it was discovered that the team was so short, I had to alter my plans. I understand the unpredictability of ministry, but I also know that had some advanced noticed been provided a suitable plan could've been devised.</p> <p>Although it was Ash Wednesday instead of our regularly scheduled midweek via Zoom. AGM took to the streets and attended a pre-screening of Jesus Revolution. The movie was phenomenal it chronicles Pastor Greg Laurie coming to Christ along with other young people in Southern California in 1970. The movie deeply resonated with me because it allowed me to reminisce on my own journey at AGM how my intention was to only stay for one service and its now been fifteen years and that young woman who entered those doors all those years ago could not have fathomed all that ABBA would have in store for her.</p> <p>Since COVID the church has not gathered as such a large group outside of the church it was nice to catch up outside of the hustle and bustle of Sunday service and share all that ABBA is doing and the impact the movie had upon each of us.</p>
