

**FIELD EDUCATION**  
**The Log**

Week #   7  

Hours This Week:   10   Total Hours:   334   / 360

HOURS SPENT / TASKS & ACTIVITIES	REFLECTIONS    JOURNALING    THOUGHTS    PROCESSING
<p>2 hours / Coffee with Alyson → evangelism with Tony</p>	<p>Alyson (another volunteer) and I had planned to meet for coffee at a Moroccan café in Astoria. While we were there, she mentioned that she is strong in evangelism, so I asked her to tell me more about that since I am realizing I'm weak in evangelism. She explained how she does it, and I told her I'd just like to observe her some time. And then a gentleman came into the café and sat next to us and asked what we do in the city. When we explained we both work in ministry, a deep conversation about faith and God followed. I got to watch her guide the conversation. She was clear and honest that the Christian God is the only God, but she wasn't forceful or rude. We reflected right after how cool God's timing was.</p>
<p>1.5 hours / Staff Prayer meeting</p>	<p>Kevin led the prayer meeting today. He focused on interceding for the upcoming retreat. I was glad to learn more about what they are expecting and hoping for. I am learning that while we intercede differently, they rely on God too.</p>
<p>1.5 hours / Mentor Meeting</p>	<p>I updated Lauren on my meeting with Nancy. She encouraged me and gave me some more ideas. I am learning a lot from her. We also discussed my evangelism growth – as I shared with her about our meeting with Tony and how I have been reluctant to learn because of the way I was wounded by evangelism in college. I am beginning to see how I can grow in evangelism and guard against some of the unhealthy things I encountered through campus ministries when I was a student. This is a neat opportunity to heal some old wounds and learn something new.</p>
<p>3 hours / Staff Meeting</p>	<p>The staff meeting this week was mostly logistical since the retreat is this weekend. It is good for me to learn the difference between a big ideas meeting and a tactical meeting.</p>

# FIELD EDUCATION

## The Log

2 hours / Discipleship with Nancy	I asked Nancy today to tell me what she understands about the gospel. We were able to explore together what it means that Jesus is King and Lord by looking at what the disciples said when they shared the gospel. It was fun to see Nancy's face light up when she learned more about Jesus and his character and position.
