

Verse 1:

In this spiritual journey of mine,  
I've had doubts and questions all the time,  
Wondering if I can get close to God,  
And find the peace that my soul desires.

Chorus:

Can I really get close to God?  
Is it possible to feel His love?  
Through these books, I've found my way,

And now I'm ready to start each day.

Verse 2:

Wanda's words have inspired me,  
To trust in God's plan and believe,  
That I can have faith in things not seen,

And find strength in the struggles in between.

Chorus:

Can I really get close to God?  
Is it possible to feel His love?  
Through these books, I've found my way,

And now I'm ready to start each day.

Bridge:

It's not an easy path to take,  
But I know my soul is at stake,  
So I'll keep moving forward and pray,

That I find my way closer to God each day.

Chorus:

Can I really get close to God?  
Is it possible to feel His love?  
Through these books, I've found my way,

And now I'm ready to start each day.

Outro:

This spiritual journey is a lifelong ride,  
But with God by my side, I'll never hide,  
I'll trust in His plan and hold onto faith,

And one day, I'll see His loving face.
