

ABIDE BALLI

HIS 113 Week 11

Film: Maya: The Blood of Kinds (1995)

-Question 1

As illustrated in this film, the Mayan cultural scene is highly complex, steeped in tradition, and highly structured. In the opening of the film, the viewer is presented with the idea of a powerful and developed society that is heavily governed by a hierarchy of classes and is deeply rooted in the spiritual and religious practices that have been passed down from generation to generation.

The Mayan culture is one of deeply rooted traditions and culture. We are presented with scenes of religious rituals and ceremonies and various other aspects of the culture, such as the importance of family, loyalty to the tribe, and reverence for the past. The frequent use of ancient Mayan symbols, such as the jaguar, a sacred animal in Mayan mythology, further reinforces this.

The film also emphasizes the importance of art and culture in Mayan society. We are presented with various sculptures, murals, and artifacts that showcase the richness of Mayan art and craft. The film also emphasizes the importance of education and knowledge, as the protagonists are shown to be deeply knowledgeable about the history and culture of the Mayans.
