### **KEPT**

Kept is being protected by God, he will keep us as we travel through the life's struggle. As stated, "Behold I am with thee and will keep thee in all places whither thou goest; for I will not leave thee until I have done all that which I have spoken of thee of." Whenever we go to dangerous place, difficult place, when we have God there with us, he will keep us safe in all these places without fear. When our enemies come to harm us, God will hide us securely in his pavilion. God will keep us and fight our battles, so that our enemies will not overtake us. We trust in God when we go through the storm of life, he will keep us and by faith we will cry to the Lord to see us through. When we have God keeping us nothing around the world will harm us if we are kept in the perfect peace of God.

As stated in the passage, "Kept from death and sickness and anything that could take us out of the world, and yet kept from the evil of the world and especially the evil one." God will keep us from anything that may harm us whether it be sickness, death, or anything that we may not know, "He will never leave us nor forsake us." God will keep us when our enemies try to get to us, they must go through God first before they can get to us, so no devil shall harm us. Whenever we overcome a situation we can say, "But God," we must trust God to keep us, and we must be committed to him.
