

Jamar Matthew 11:25pm- 11:40pm 5-3-23

The topic I chose was creative writing. One of the most important aspects of creative writing is the ability to think outside the box. This means that writers must be willing to take risks and explore new ideas, even if they are unconventional or controversial. Creativity also involves being able to see the world in a unique way, and to find inspiration in unexpected places these few things are the reason why I love creative writing and have chosen it.
