

The nuclear apocalypse had led to deployment of soviet missiles in Cuba which were ready to fire on Washington, New York, and almost the entire eastern seaboard. Also an invasion force of over 120,000 soldiers gathered on the shores of Florida and 3000 American nuclear weapons were locked on to target the Soviet Union. This event was the start of the crises and mad the U.S and U.S.S.R to start an actual war during the long years of the Cold War. The United state had already installed Jupiter nuclear missiles in Italy and turkey all was to target the Soviet Union. In 1961 the US president john F Kennedy had to solve the problem of Cuba that was an alien to the Soviet Union and in the April 1961, US launched the bay of pigs invasion for the aim to depose Castro and eliminate communism in Cuba. But this invasion turned to a disaster, Americans were captured by Cuban soldiers and America wanted to deny this invasion in the meantime this victory of Cuba was important for Russia. Before the US attempt any other invasion Russia decide to deploy nuclear missiles to the island in 1962 once the missiles were installed the formal defense agreement were announced between Cuba and Russia. United State had two choices whether to attack and destroy those missiles or blockade the. United State blockade the Cuba and 2 days after that the Soviet Union ships with missiles turned back to Russia.

On the day named Black Saturday a series of incredibly dangerous events would take place and anyone of which could have led to a nuclear war. The day started with Castro composing a letter to Khrushchev and urged him to consider a nuclear first strike against the US. But Khrushchev believed that still there are time for negotiation with the US. Russia sent the second letter to Kennedy for negotiation by which Russia would ask back all the missiles from Cuba. In the meantime an airplane of US entered Cuba to photograph the missiles that was recognized by Soviet Union's soldiers and two missiles were shot. United state accept negotiation with the Soviets Union, but US wanted the withdrawal of Jupiter in turkey remain secret. Russia accepted the deal and ended the crises. The blockade was formally ended, and the missiles were asked back to Russia from Cuba. Jupiter installed in turkey was taken out five months after the negotiation.
