MEETING(S) WITH MENTOR(S) TOPICS OF DISCUSSION REFLECTIONS
<p>The new season of Life Groups has started off well, with around 60 people attending Pastor Glenn's study of "The Chosen" TV series, and 111 people at Pastor Nick's "HT University" class called "Things To Come." I was sorry not to be able to come on Wednesday night, but everyone understood my family obligations. The Life Group leaders are so dedicated; the only thing I have to prod them to do is remember to input attendance so we have good records to report in our Annual Report. I always enjoy working with the Middle Schoolers—that was part of the age group I taught for many years before retiring. How nice to be in a circle with them, hearing about their week and what's going on in their schools. It's always great when one of them volunteers to pray! We had a boy pray for the Ukraine situation, and it was powerful—brought me to tears.</p>
