

"Life Cycle of a Whale"

Intra-Act Template

Instructions: Write down the opinion statements. Write your name at the top of the first column. Then write the names of your team members in the rest of the columns. Read each opinion statement and check "Yes" or "No," indicating whether you agree with the statements. Predict how each member of your team will respond to the statements by marking the "Yes" or "No" boxes under their names. Be prepared to discuss your reasoning.

Opinion Statements	Name: <u>Kyla</u>	Name: <u>Mark</u>	Name: <u>Xavier</u>	Name: <u>Molly</u>
Humans are the only threat to the whale population.	Yes____ No____	Yes____ No____	Yes____ No____	Yes____ No____
The ban on whaling should be lifted throughout the world.	Yes____ No____	Yes____ No____	Yes____ No____	Yes____ No____
Sonar equipment should not be allowed in the ocean because of the dangers sound waves poses to whales.	Yes____ No____	Yes____ No____	Yes____ No____	Yes____ No____
There isn't much that we can do to protect the whales.	Yes____ No____	Yes____ No____	Yes____ No____	Yes____ No____

What changes and/or affirmations did you experience as a result of your discussion? Write your reflection in the space below.
