Week # 7 - 2/13/23 - 2/19/23

Hours This Week: 10 Total Hours: 79 / 120

HOURS SPENT / TASKS & ACTIVITIES	REFLECTIONS JOURNALING THOUGHTS PROCESSING
2 hours HUMBC Meeting	In outlining the church calendar of events, collaboration and listening is vital to hear what people are or aren't saying, empowering them, and also to gain buy-in. Pastor Ken skillfully led a meeting where he was being cut off/interrupted constantly but he never reacted in kind. He listened and moved the meeting forward in service of the meeting goal.
6 hours HUMBC Youth Group and Preparation	Received feedback from a congregant about my work with the youth and the impact following youth Sunday. They are listening and do move towards what God has for them. Wow Lord!

MEETING(S) WITH MENTOR(S) TOPICS OF DISCUSSION REFLECTIONS
<p>1 hour Effective delivery of sermon Prep work the week of Personal style and communication, i.e. stance, eye contact, and gestures</p> <p>We also discussed the continuation of providing dinner for the youth which was raised. I shared that community building for Jesus often involved food. Although the routine predates my time there, it is a biblical concept, but I shared that I would check in with the youth to get their ideas and feelings.</p> <p>1 hour Meeting with Pastor Matt to discuss my time in the youth ministry thus far, share tips for the internship, and receive an assignment due in April. I did not communicate well about my internship from the beginning, which led to rushing in the beginning. People are willing to support and mentor me in a meaningful way, but my execution is vital.</p>
