

The Information about the book Paul the Jewish Theologian is a 236-page book authored by Brad H. Young, published by Hendrickson Publishers in 1997. The book is available in hardcover and paperback, with the latter priced at around \$30.

The Author's biographical sketch, Brad H. Young is a professor of Biblical Literature in the Department of Theology at Oral Roberts University. He holds a Ph.D. from the University of Texas and is a specialist in Second Temple Judaism and the Jewish background of the New Testament.

Paul the Jewish Theologian by Brad H. Young is a must-read for anyone seeking to gain a deeper understanding of the apostle Paul's Jewish roots and their influence on his theology. The author's expertise in Second Temple Judaism and the Jewish background of the New Testament shines through in this well-researched and informative book.

The book is organized into twelve chapters, each exploring a different aspect of Paul's Jewish background and theology. Young's analysis of Paul's views on the Law, Messiah, Israel, Gentiles, Holy Spirit, resurrection, end times, salvation, faith, and the cross is thorough and insightful. He provides valuable perspectives on these theological topics, shedding light on Paul's thinking and worldview.

What sets Paul the Jewish Theologian apart from other works on Paul is the author's focus on Paul's Jewish background and its impact on his thinking. Young argues that Paul's Jewish background is crucial to understanding his theology, and he makes a compelling case for this argument. His analysis is supported by an extensive range of primary and secondary sources, including Jewish texts, ancient Greco-Roman literature, and the New Testament.

While the book may be dense and challenging for readers who are not familiar with the subject matter, it is an invaluable resource for scholars, students, and anyone interested in

gaining a deeper understanding of Paul's Jewish roots and their influence on his theology. The book is well-written, well-organized, and provides a unique perspective on the apostle Paul's thinking. Overall, I highly recommend Paul the Jewish Theologian by Brad H. Young.
