

My research paper will be examining an Old Testament text (Genesis 1:1 & 26) that is used by the New Testament writers specifically the apostle (John 1:1) as prophetic of Christ Jesus and his divinity as the Son of God

Genesis 1:1 and 26 “In the beginning God created the heavens and the earth” and “Let us make mankind in our image create, in our likeness, so that they may rule over the fish in the sea and the birds in the sky, over the livestock and all the wild animals, and over the creatures that move along the ground.”

John 1: 1-3 “In the beginning was the Word, and the Word was with God, and the Word was God. He was with God in the beginning. Through him all things were made; without him nothing was made that has been made.”
