Final Proposal

The questions are always a similar, what is a person doesn't hear about the salvation and not heard of Christ? What would their end be? Accepting Jesus Christ, our Lord and Savior, is the only way to go to heaven. God gave us the free will to decide which choice to pick, whether it is accepting salvation and not too. And at the end of our lives, we will be just following the decision we picked during our lives. Now, there is two spectrums, two views, Arminian and Calvinism, in other words predestination. Predestination means that God has already chosen the ones that are set to be saved. There is no merits that can make God chose us to be saved, Calvinism. Not because of things we have done but because of His Mercy. While Arminian, believe that Jesus died for someone on this earth, whether or not, they have accepted Christ as their salvation.
