

1. What have you liked about the course?

I love every class of this course; the Professor is very educated and knowledgeable about the course and topics, making the teaching exciting and fun. This was the class I looked forward to weekly. The Professor was creative in her teaching style, making the information relatable and retainable.

2. What suggestions do you have for improvement?

I have no suggestion; the Professor did a great job; if anything, other courses should utilize the Professors creative approach to passing on knowledge.

3. What have you done that has helped you learn effectively in this course?

I attend classes, read the assigned chapters as much as possible when time permits, and participate in class activities.

4. What could you have done differently to improve your learning in this course?

I wish I had more time in the day to read the entire chapters of the book. I could not balance my time this semester.

5. What has the professor done that has helped you learn?

The Professor is very creative. She is a force to be reckoned with. She placed us in groups during class and allowed us to create scenarios, role play, and weekly presentations on the chapter of focus. This helps me retain information and apply what I have learned to real life.

6. What could the professor have done differently to facilitate your learning?

The Professor was excellent; I would not change anything about how she facilitates learning.
