We organized the volunteer Christmas party, asked help for PCO data migration from F1, and gave instructions on how to come up with the upcoming budget.</p> <p>During the YA interns meeting, P Jenn elaborated on our budget and helped us to use our debit card for ministry expenditures. Had a good discussion on the message series. Everyone seems excited about the direction of where we are going.</p> <p>Had offsite-community groups and our group played board games. It was a smaller group, but it was a good time meeting people outside of the church.</p> <p>P Alex asked me to lead worship for the spirit-led prayer meeting. I was concerned if the church knew a particular song, but eventually had to go by faith. It worked out, but I need to be mindful to be quieter to help create the appropriate atmosphere.</p>

MEETING(S) WITH MENTOR(S) TOPICS OF DISCUSSION REFLECTIONS
<p>Discussed the performance lie I struggle with. Gave me a homework assignment to jot down the words I hear and to complete my strength deployment inventory 2.0 (SDI 2.0). She also helped me brainstorm and process ideas for my message next week.</p>
