

Reflection 14

1. What have you liked about the course?

I like how the course was held weekly every Wednesday. I feel I concentrate better with in person class and my work gets done effectively. I like how the professor takes time to pray before and after class and it gives us a sense of peace.

2. What suggestions do you have for improvement?

I feel the course is fine the way it is. I currently have no suggestions for improvement.

3. What have you done that has helped you learn effectively in this course?

I would read the chapter and come to class to discuss what was read which was effective for me because I listened to my classmate's point of view about a topic and then I can look at what I wrote in my journal for additional information.

4. What could you have done differently to improve your learning in this course?

I would take more time to read the chapter also I would make index card notes with keywords.

5. What has the professor done that has helped you learn?

The professor takes time to discuss the chapter during the week and also engages us in conversation in the class and the formation of groups which is effective because we put into practice what we learn.

6. What could the professor have done differently to facilitate your learning?

The professor did a great job facilitating the learning.
