Extremely excited to be expanding our team and looking forward growing and learning with our Cohorts.</p> <p>Kidz Rock ministry is presenting a play or Palm Sunday as part of my internship I was asked to join the ministry and assist with backstage work for the production – prior to COVID we had a Drama Ministry, and I was the Stage Manager for those productions.</p> <p>Our church has been in space of revival calling upon the Holy Spirit to indwell in the church and the local assembly. Pastor Lou noticing the spread of the Spirit accepted an invitation for us to attend a prayer and worship service in the Bronx. The Holy Spirit was evident and present, and it was a good experience.</p> <p>First time seeing all the kids in actions – rehearsal was good some kids were missing due to sickness. One of the co-teachers of the ministry (who also wrote the play) has very high aspirations of how the production should turn out but we had to make votes for cohesion and change.</p> <p>Was a little late this morning but was able to dive right in at 10:30 the Pastors along with intercessory prayer warriors pray prior to service to usher in the presence of the Holy Spirit; humbled and honored to among this sacred community to lift up our church body.</p>
