LESSON 6 UNIT 2

- 1. But there is a place where Time is no more, and as we join the Christian community, we live in Eternity. What does that mean?** We live in eternity means that we have moved from death to life no longer bound by death sin and the grave. Though we live here on this side of life as a Christian we don't have to fear death because as Christ promised it is not the end but the beginning of our eternal life with Him.
