## The Log

Week #   4  

Hours This Week:   12   Total Hours:   48   / 120

HOURS SPENT / TASKS & ACTIVITIES	REFLECTIONS    JOURNALING    THOUGHTS    PROCESSING
<p>12 hours- time was spent armor bearing for my overseer throughout the entire Sunday. This meant I had to make preparations for the overseer prior to his arrival to the church. This included cleaning the church and his office. During the start of service I prepare his items for his sermon. Throughout the services when there is an altar call I work the altar and follow his movements and go behind any individual that he lays his hands upon. After service, I stay by his side to see if there is anything that he needs, while having conversations with visitors/new members that are looking to have a conversation with him.</p>	<p>This week in particular I was reflecting more on the workings God was doing in me, particularly in the area of patience. I felt like I was being put in a situation where God was pushing me to be patient and to respond in a Christ-like manner. It made me realize the importance of putting the Word of God into action- not just being a hearer, but a doer of the Word.</p>

<b>MEETING(S) WITH MENTOR(S)    TOPICS OF DISCUSSION    REFLECTIONS</b>
---

<p>This particular meeting with my overseer/mentor was a focus of moving as a unit for the vision of the church. I'm part of a discipleship group, and my overseer always emphasizes the importance of relationship with one another and fulfilling God's vision for the church.</p>
