Week # 6

Hours This Week: 12 Total Hours: 72 / 120

HOURS SPENT / TASKS & ACTIVITIES	REFLECTIONS JOURNALING THOUGHTS PROCESSING
<p>12 hours- time was spent armor bearing for my overseer throughout the entire Sunday. This meant I had to make preparations for the overseer prior to his arrival to the church. This included cleaning the church and his office. During the start of service I prepare his items for his sermon. Throughout the services when there is an altar call I work the altar and follow his movements and go behind any individual that he lays his hands upon. After service, I stay by his side to see if there is anything that he needs, while having conversations with visitors/new members that are looking to have a conversation with him.</p>	<p>This week in particular I was reflecting on marriage and the essence of it. While I can point to many benefits that it brings, for a Christian couple I cannot help but think of how much it can help someone who is in ministry- before he or she even steps into ministry. You learn patience, agape love, wisdom, understanding- so much fruit that can be applied in the context of ministry. As I further reflect on this, I realize that in some ways marriage can help me towards future ministry</p>

MEETING(S) WITH MENTOR(S) TOPICS OF DISCUSSION REFLECTIONS

<p>This particular meeting with my overseer/mentor was a focus on learning the seriousness of following a spiritual leader, as he or she is following God. My mentor referenced a story in the Bible where a servant follows Jonathan, who is going after the Philistines. So much significance in the story, and it was great receiving the insight.</p>
