Week # 7

Hours This Week: 12 Total Hours: 84 / 120

HOURS SPENT / TASKS & ACTIVITIES	REFLECTIONS JOURNALING THOUGHTS PROCESSING
<p>12 hours- time was spent armor bearing for my overseer throughout the entire Sunday. This meant I had to make preparations for the overseer prior to his arrival to the church. This included cleaning the church and his office. During the start of service I prepare his items for his sermon. Throughout the services when there is an altar call I work the altar and follow his movements and go behind any individual that he lays his hands upon. After service, I stay by his side to see if there is anything that he needs, while having conversations with visitors/new members that are looking to have a conversation with him.</p>	<p>This week I started to reflect on prophetic words that have been spoken over my life recently, and I couldn't help but think how important it is to hold on to those words- especially during the dark seasons.</p>

MEETING(S) WITH MENTOR(S) TOPICS OF DISCUSSION REFLECTIONS

<p>This particular meeting with my overseer/mentor was a discussion about contending for the prophecy through prayer, and how prayer is an essential piece of the prophecy coming to past because it illustrates our dependence on God</p>
