<p>1 hr. 30 minutes - D101 Session 4 30 – minute Check-in w/ Pastor Christian</p> <p>2hrs 15minutes – Good Friday Service.</p> <p>5 hours 45 minutes - Sunday Worship experience – Resurrection Sunday</p>	<p>D101 had its fourth session but third lesson. More students have dropped out we made it open to students who missed class during the last cycle to join in with this cohort to makeup those lesson. Historically teaching D101 has been Pastor Christian and myself as others have moved on but the two new additions to the team are hungry and willing to serve in this capacity and I am thrilled to see each of them make the lessons their own and really take the space to be ABBA’s hand extended. Pastor Christian facilitated this week’s lesson and its always a treat to sit under his teaching; glad this new cohort was able to experience the gift that he is.</p> <p>Pastor Christian and I meet after class to discuss the next step in the discipleship journey for our students. Clarifying the Bible is a curriculum that we had used prior to COVID and are looking to re-engage with the material for this summer with these students. Our cohorts from last cycle are being encourage to sign up for Clarifying the Bible as well. Pastor Christian asked if I would like to help facilitate and I said yes.</p> <p>Brought a reflection around the 7th and final saying of Jesus extremely honored to serve in this capacity and it never ceases to amaze me the doors that ABBA has opened for me and allowed me to walk through. I never would’ve dreamed or imagined this path for myself but now that I am on this road there truly isn’t anywhere else, I would rather be.</p> <p>Kidz Rock gave out baskets and toys for the children I help with the facilitation of that in addition I distributed the elements for Communion.</p>
